Experience Warner Bros. BD-Live™!

My WB Commentary

Fire up your webcam and create your own picture-in-picture commentary right over the film, then share it with friends or the entire Warner Bros. BD-Live community.

Live Community Screening

Create your own screening with friends! And as a one-time special event, enjoy an on-screen chat with the filmmakers while you watch the movie right in your living room!

Media Center

Find things you won't find anywhere else, such as exclusive footage, trailers, photo galleries and more.

4000017560

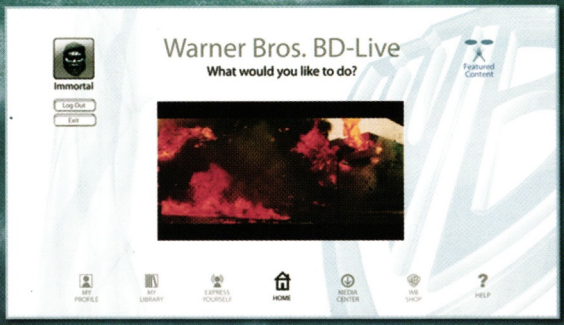
HERE'S WHAT YOU WILL NEED:

1. A Blu-ray Disc™ player with BD-Live™ capabilities or a Playstation® 3
2. A broadband Internet connection
3. Available data storage (see owner's manual for details)
4. Quick and easy registration at:

http://warnerblu.warnerbros.com/registration

Note: Your player may require a firmware upgrade. To determine if your player is upgradable, consult your hardware manufacturer for more information.

Once you connect to the network and register, you can access the Warner Bros. BD-Live community from the Special Features menu on your Blu-ray Disc.



For updates and information on Warner Bros. Blu-ray, visit:
http://www.warnerblu.com/
Playback experience will vary depending on player capabilities and performance. Consult your hardware manufacturer for more information.

IMPORTANT NOTICE

This Blu-ray disc is manufactured to the highest quality available. It is possible this Blu-ray disc was manufactured after your Blu-ray disc player. To ensure the best possible viewing experience, your Blu-ray disc player may need a firmware or software update. Please consult your hardware manufacturer's website for the latest firmware or software version and, if an upgrade is available, we suggest that you follow its installation instructions.
